SOLICITORS

Your clients, our expertise.

Are you looking for support in a specialist area, sector or part of the country you don't cover? Or perhaps there's a conflict and you need outside support?

Either way, with the Legal Alliance, we can help you get the best result for your client across the full range of legal services, such as commercial property, employment law, company law and litigation, and of course Court of Session agency work, to name a few.

At a glance —

Access to our experts — our solicitors' referral scheme uses a fee sharing arrangement

Non-solicitation — We won't solicit your client and you're in control of how much, or how little, contact we have with them

Valuable advice — we can supplement advice in a particular issue or transaction, or we can take on individual pieces of work directly

Local experts — we know the market and we can also call upon team members with specific skills and experience across our network of offices, if needed

Phone a friend — reassurance there's no cost for picking up the phone to chat through an issue and see how we can help

Continuous professional development — access to free training

It is always a pleasure working with Ledingham Chalmers. Having their experience on board has helped us to help our own clients with an expedient service and advice that we can trust.
