# DAWID CZECHOWSKI

SYSTEMS TECHNICIAN

1.

**Tell us a little bit about yourself.**

I am easy-going and I don't take myself too seriously. I'm Polish and I moved to Scotland at the age of 8, currently being 25; I am more Scottish than Polish. I enjoy relaxing but I usually am busy working towards a new qualification or a new long-distance run.

I have a pretty positive outlook on life and try to make things better around me.

2.

**What is your job role at ITWORX?**

I am a Systems Technician. My role involves a lot of different activities but it's mainly about helping our customers with technical queries and assistance they require.

3.

**What do you enjoy doing when you aren't working?**

I am an outgoing person and I like to get the most out of life. My days tend to be quite varied, I enjoy a night in the pub doing karaoke and hiking in the highlands/visiting ruins. I am a storyteller and I run Dungeons and Dragons campaigns. I also enjoy quiet days in with a good philosophy book or playing video games. I had hoped to start playing Tennis, but my previous Tennis partner bailed on me.

4.

**Do you have any pets?**

No. I would like a dog, but I'm usually quite busy and I don't think I could look after it properly, which would be unfair.

5.

**Tell us an interesting fact about yourself.**

I used to do Historical European martial arts (HEMA) which is medieval fighting. It left a lot of bruises but it was really fun and was a great workout.

6.

**How would you spend a million pounds in 24 hours?**

A million pounds is probably not enough to buy a castle, so I'll settle for a nice house.

7.

**What would you choose to eat for your very last meal?**

I would choose ice-cream, because ice-cream always makes me feel better.

8.

**What 2 items would you want to have with you if you were stranded on a desert island? (Human needs such as food and water are already provided)**

A big blank journal and a bunch of pens. Sell my story for millions once I am back.

9.

**Choose a movie title for the story of your life.**

The adventures of a wise fool.

10.

**What are your top 3 Books?**

I don't like choosing a top 3 as it depends on my mood. 3 books I would recommend are:

1. Can't Hurt me – David Goggins
2. The Gulag Archipelago - Aleksandr Isayevich Solzhenitsyn
3. The Lords of the North - Bernard Cornwell

11.

**Do you have any strange phobias?**

I wish I could say something interesting like Anatidaephobia, which is a fear that somewhere there is always a duck watching you... but I only have a basic fear of the dark.

12.

**You can visit anywhere in the world – where are you going?**

I would go to Lichtenstein, it's a lovely small country in central Europe.
